FOR IMMEDIATE RELEASE:

Hearing Requested by Judge in the At-Large vs District Voting Law Suit

Fayette County, Georgia, July 21, 2015 – When the Election Board called the Special Election last Tuesday, the County began making preparations for that election to be held on an at-large basis, as the law requires.

On Friday night, the Plaintiffs filed a request for an injunction asking the Court to impose district voting. The County will oppose that motion. The Court has ordered responses to be filed no later than this coming Monday and will hold a Hearing on Thursday, July 30.
